my toy is my pussy's joy

Even though you can't get too much sex, sometimes there's a day when you just want to kick back with your favorite toy and not have to worry about licking someone's pussy, or sucking someone's cock, or getting your pussy or ass plowed. Sometimes, you just want to hear the soft buzz of a vibrating lover instead of the moaning and groaning of a flesh and bones lover. Well, that's the kind of day I want today. The cameras? Oh they're okay, as long as they use telephoto lenses.

belle d'leon & misty stone

this pussy looks just like the one i'm playing with today

B – When I found out I was finally going to get a chance to fuck Misty I almost creamed my panties right there. M – I knew about Belle from being in the business, but hadn't seen her perform, so I went and rented *The Hung and the Young* and watched her give one of the best blow jobs I'd ever seen. So I was really stoked to do her, too. **B** – We got together the weekend before the shoot to meet and "practice" a little on each other. But I couldn't wait for this photo shoot.

A full-page photograph of a woman with long, straight brown hair, smiling and looking back over her shoulder. She is wearing a yellow bikini top and matching yellow bottoms with a ruffled waistband. She is also wearing black fishnet stockings and white high-heeled sandals. She is sitting on a black, rectangular pedestal. The background is a solid purple wall. To the left, there is a framed piece of art with a floral design in shades of orange, red, and yellow. A bright light source from the right creates a strong diagonal beam of light across the purple wall.

hydrie waters

am I really ready for this?

When I got the call and they asked me if I wanted to work with Byron, I immediately said 'yes.' I knew about him and his many movies. And I knew he had a very big and thick cock. So I talked to my girlfriends about him and they were all giggles and wanted me to tell them how it was after we fucked. I also called a girl I knew who had worked with him and said he was really nice, and very big. Now the shoot has cum and gone and he was waaaaay bigger than I was ready for.

Last Issue...

TO THE EDITOR:

My name is Cherise and I'm a twenty eight year-old black woman with a liberal attitude. That's why I can write you this letter and tell you about my husband's infatuation with Tyra Banxxx. We've been married four years but before we were married he told me about her. That they went to high school together and he even dated her for a few months before they graduated. He said they never had sex in high school but did hook up when she visited him in college. He said that she was pretty shy and a little awkward, and geeky looking. But he saw past that and found her to be a nice, fun girl. That was it for them.

He heard she had moved to the west coast and then, a couple years later, he saw her in adult videos. At first he said he could not be sure it was her because she seemed to have a 'beauty makeover' and looked different than when he knew her. But her body was the same, as were her mannerisms. He knew it was her. While we've been married, I've allowed him to have magazines and videos with her in them. We've even have fucked a few times with her getting fucked on the TV. Now with this issue of **Hook Up** and the free video on the website, we'll be fucking some more with her.

COLLEGE RULES

MONIQUE B. CLEMSON

I recently transferred colleges from Georgia to South Carolina. I wanted to get further away from home so I could 'find myself' and not be inhibited by my parents so close. A few weeks after the semester started, I decided that I pretty much had academics under control and now I wanted to taste the night life. I hadn't been laid all summer and now at school it may be easy, or it may be hard. I had to pretty much minimize my chances for failure.

Early that evening, I go through my drawers trying to find which thong made my ass look best. After trying on several pairs, nothing fit like the red g-string, it made me feel so sexy. And I liked the color contrast with my dark chocolate skin. I pulled up a pair of thigh high stockings and selected my black five-inch heels. I'm only 5' 5" so the heels make me look taller and really help push my already plump ass out there even more. Looking in the mirror was such a turn-on, my ass looks good in red. As I start to shut the drawer, I caught glimpse of my huge black butt plug. I debated whether to leave it, bring it, or put it in. What the hell, I thought. I enjoyed it in me and I had done an enema in the shower, so why not. I could always pull it out if I needed to. I bent over, pulled my thong to the side and spread some lube all over my tight little hole. I firmly grasped the huge plug and directed it between my cheeks. My body starts to tingle as the plug starts sliding in. It felt amazing, then all of a sudden it popped all the way in. I moaned as a shock of pleasure-pain ran through my body. It was so filling, almost as good as being stuffed by a cock.

I decided to go to The Waves, a club/restaurant on the boardwalk at the beach. I walked in, showed my ID and paid the dollar admission, since it was Ladies Night. I tend to avoid Ladies Night at clubs because it can get crowded and the girls get caddy. The guys are all looking for nookie, so

the scene is pretty much a meat market. Fortunately, it was a weeknight so it wasn't as crowded as I feared. I walked over to the bar, tightening my sphincter so waves of pleasure surged through my body. I found a stool and gingerly sat on it with most of my weight on one leg. After I got my drink, I turned sideways so I could see the room. It was a mix of

I have ever seen. It was already hard and over nine inches long, easily. He grabbed my hair and pulled my face to it. I reach my hand up to grab it and noticed it was as thick as my wrist. I stuck out my tongue and started to lick the head of it. I open wide and start to take it in. Halfway down, I start to choke and gag. He grabbed my hair and tried shoving his

people, almost all students, with a lot of bumping and grinding, and twerking on the dance floor. Then this good-looking guy comes over and sits on the stool behind me and orders a drink. A few minutes go by and he stands up and whispers over my shoulder asking me to dance. I turn a little more and check him out. I told him I'd love to, but I needed to use the ladies room first. He chuckled. I asked why he laughed at that. "Because it's a unisex bathroom. There is no ladies bathroom," he said. I laughed too and headed for it.

I quickly walked down the hallway and entered the first door. I walked in and quickly shut the door behind me. I am thinking the whole time that I probably need to take out the plug if I'm going to dance. I quickly pulled my skirt up and my panties down around my ankles and pulled both feet out. I find the end of my butt plug ready to pull it out. All of a sudden I hear the door handle rattle and I hear the door swing open. I look back still bent over and in walks my soon-to-be dance partner. He shuts the door and locks it behind him. "You know your gonna give me some of that ass," he says. My heart dropped and my pussy started throbbing. "You know I will," I said. "Do you like my ass?" He smacked me on the ass and turned me around. He put his hand on my head and pushed me to my knees. As he unzips his pants, out pops the hugest cock

cock further down my throat. He bobbed my head up and down until I almost couldn't breathe. His cock was huge and my mouth felt so small, I just held my mouth open wide as possible. I could taste his pre-cum in my mouth and loved the taste of it. I never wanted to stop sucking it. He pulled it out of my mouth and turned me around and bent me over the booth. He grabbed the string of my thong and pulled my ass up higher in the air. He saw the plug and hesitated for a moment. I was so sidetracked that I actually forgot about even wearing the plug. "I got something better than that," he said and pulled the plug out of my anus. He led me over to the sink and bent me over it. He pulled my red g-string to the left and started to lick my ass.

The adrenaline started pumping as I feel the head of the enormous cock start to enter my butthole. I dropped my head and bit my lip. He started to enter – inch after inch for what felt like ages. It hurt so bad but felt so good, my body couldn't stop shaking. He pulled out real slow and then shoved it back in. Every thrust he made sure I felt and didn't slow down at all. I started moaning like a girl getting fucked for her first time. He held tight on my thong and he said "You know where this cum is going, don't you?" He pulled my hair and I felt a warm explosion in my ass. It was so warm and filling!

He pulled out and I felt my anus shrink back down. He pulled up his pants, zipped them and walked out. I got dressed and put my plug back in to hold the cum inside me.

I went back to the bar and tried to act as if nothing had happened. I finished my drink and tried to rush out of the place, but really didn't want to leave. I saw him on the dance floor and his eyes met mine. He smiled and waved. I wanted to go back in and see how many more I could get to fill my ass up.

head tilted back, and lips partly open. Her breasts moved up and down as her breathing got heavier, and a light moan escaped her lips. Our lips touched and parted for our tongues, which explored each other's mouths and wrapped themselves together like two serpents.

I just grabbed her by the shoulders and threw her down on the bed, "Don't move." I said removing my socks, pants, shirt, and my bra and panties. I began to kiss her again, and let our

BRANDI W., SMU

Her dorm room was small, but had a lot of décor. A coffee table full of books and magazines, shelves full of vases and pictures of family. She turned off the lights and joined me on the bed. She started out sitting upright to the right of me, but it ended with her head on my shoulder and arms wrapped around my right arm. I stopped paying attention to the movie, and worked on courage to make a move. I was nervous that I might go too fast, and she would get uncomfortable. Half way in the movie I couldn't hold myself back, and didn't care about being nervous. I moved my left hand across my thighs, to hers, and just rested my hand mid-thigh. Her muscle was tense but softened within a few seconds, then I continued slowly and moved my hand up and inward towards her crotch.

It was warm, and I began to slowly rub my hand around that area, and going down to the thigh and back up. Her breathing was quickening and shaking, along with mine. We were staring into each other's eyes as I undid the pants button and zipper, and slid my hand in. Her eyes were now closed, her

tongues dance. I got to my knees on the soft the bed, and removed her pants slowly, kissing her inner thighs. I slowly brushed my lips and nose against her crotch teasing her, then to her belly button and breasts. I removed the rest of her clothes. She put the palm of her hand against my stomach and rubbed inward towards my crotch and began to slowly rub my clit. I kissed her neck and removed her remaining clothes. My lips traveled down to her nipples and I began to suck on them. She began to moan again. I stopped sucking her nipples, and stared at her as I shoved a finger into her warm wet pussy.

I watched her breathing, pacing my thrusts. Her breathing became harsh, fast, and heavy, and her back arched slightly. There was one last long loud moan, which vaguely sounded like my name, and her pelvis shot up and down, and her legs curled in along with her fingers and toes. Her whole body became one spasm event, and her long nails cut my back. The whole time I didn't stop shoving my fingers in and out of her. When her pussy relaxed and her body was calm again, she opened her eyes wide and a large grin spread across her face. I smiled back, proud that I made her orgasm.

divine

yes I am

I always end my day with a nice long bath with a neck pillow, a glass of wine; sometimes with a man and sometimes another woman. I always masturbate in the bath. It's a habit I developed over the years and it really helps me sleep. The warm water around my body envelopes me as I climax and I watch the ripples and waves roll across the water. Then, if there is no one to dry me off, I grab my big Egyptian cotton towel and wrap my body in it. Finally I take a half hour to lotion my skin, being sure to apply it generously all over.

nothing like Fucking your best Friend

The two of us have been friends since high school. But It was summer vacation after our junior years in college that we really became great friends. We had experimented with other girls in college but it was that summer that we got together as lovers. And what great fun we had. Our sexual interests were the same. We each liked what the other liked. We like doing to each other what we wanted done to ourselves. Then (drum roll...) we decided we could make money doing it.

SOME DO LIKE 'EM BIG

She sent me her photo and I liked what I saw. A full-figured woman that looked like she could take my cock.

She had contacted me on a site for hook-ups and her message indicated she was into men who were "hung like horses." I responded that I was ten inches long and eight inches around. She messaged back that if that was really true to send her a photo, then she'd like to meet me. I told her it was and sent a photo. She sent me her photo and I liked what I saw. A full-figured woman that looked like she could take my cock. She responded that I could meet her later at her friend's condo and gave me directions. I guess she felt more comfortable meeting a stranger in a place like that.

After getting directions, I took off for her friend's condo on the other side of town. She explained we wouldn't be alone at the start but could be later if things worked out. When I showed up, she greeted me with a careful hug. She was dressed in sweat pants and a t-shirt. Her friend was there and introduced herself. A name I quickly forgot. My hook up's name I did remember -- Morgan. We sat in the living room on the couch in front of the TV and talked for a little while to make ourselves more comfortable with each other, and to see if we wanted to go forward. She told me she wasn't shy sexually, but still had a lot of things she wanted to try. She told me that she had a few flings with some

guys looking for a big girl fling. She said they were quickies that didn't do much for her. She said that she would like hooking up with me because I knew what I was probably doing from the description in my profile, and that she wanted to try being with an well-endowed guy. Plus she also complimented me on my looks telling me I was handsome which charmed me over. I told her she was very good looking herself, which she was. She told me about how she didn't like being a "bigger girl" sometimes because it was a turn-off to men she wanted to be with. I told her I loved large black girls because small girls could rarely take my cock. That made her smile and cuddle up with me on the couch. I asked her how she wanted to proceed and kissed her on the forehead. Morgan told me she didn't know what to expect, but wanted to shower before we did anything together and at least make herself look a little more attractive. I told her that was fine, but she was already attractive to begin with, but that I'd wait for her. She gave me the remote to the TV and told me she'd call for me when she was ready.

I waited for about a half hour until I heard for her call for me and say she was ready. She told me to meet her in the bedroom at the end of the hallway. I went into the bedroom and saw her laying on her back on her bed against the pillows on her headboard and totally naked. I was immediately turned on and smiled. I began to undress and I slowly crawled onto the bed next to her and took her into my arms. I kissed her forehead, kissed her cheeks and slowly rubbed my hands down to her boobs. She rubbed her hands on my chest, rubbed her hand gently across my face.

Morgan could only get half of it into her mouth, so she spent a lot of effort on the tip and stroking it

I went to kiss her mouth and we kissed passionately for what seemed a good five minutes as she let out little moans and I played with her boobs and rubbed my way down to her beautiful ass. I laid her down and positioned myself on top of her and took turns with each of her boobs and my tongue. I slowly kissed down to the area of her shaved pussy.

I kissed her pubic area and gave it a sensual rub. I licked my finger and gently rubbed around her pussy lips, licked my finger again and ran my finger over her clit, which made her moan a little. I went down and licked around her pussy noticing she was getting very turned on, I gently licked her clit, which made her shiver in ecstasy for a moment. I worked my tongue gently on the clit to get her more excited and then pushed her hood back, and attacked it with my tongue. I alternated between slow and fast as I sucked on her clit, teased her clit with my tongue, nibbled gently on it, and would then attack it again as I felt her hand push my head against her, hearing her moans as I worked on her. I slowly eased up, and then played with her clit with my thumb and put two fingers inside of her trying to find her spot. It didn't take me long to find her spot when she let out a loud moan.

I began to rub up against her spot as my thumb would smack against her clit and I noticed she began to tense up and start moaning wildly. I went a little faster and harder and she began to moan louder and start thrusting her pelvis up and down, her legs shook, and it was obvious that someone had never done this to her before, or at least done it as I was doing it to her. I began to hit the spot and her clit with my thumb as hard as I could thrust. She moaned harder and louder and suddenly my arm was wet and a she was squirting like a geyser. I didn't stop as the flow came out. She grabbed my wrist which was a signal to me to stop.

I laid next to her for a few minutes as she was still groaning, shaking a bit, and she told me "I feel like my head is spinning,

but it feels so good." I told her it was supposed to, and she confessed that it was something that never happened to her before. She laughed and I laughed as I gave her a kiss. She rubbed my chest again and put her hand on my cock, which was semi-erect at that point. She gently stroked me and kissed me. I felt my cock harden even more as she played with it. By the time I laid on my back it was a full nine inches with one more to go. She looked at it growing with astonishment. "How much bigger is it going to get?" she asked. "A little bit more, especially if you use your mouth." I noticed that as she went down on me she didn't seem have much experience, but I gave her the directions of telling her to go faster, ease up, more on the head, and it all still felt wonderful.

Morgan could only get half of it into her mouth, so she spent a lot of effort on the tip and stroking it. She'd nuzzle her nose and tongue on and under my balls, coming up to suck them now and again. I gently put my hand on the back of her head and took some control. I told her to relax her throat muscles and get her breathing in sync with her going down on it. She managed another inch but my length and width were too much for her to overcome. I told her with more practice she would do very well.

By now, I was ready to fuck her. She came back up and we embraced for a while kissing, rubbing each other's sex, and I noticed her pussy was still plenty wet. I put her on her back and got on top of her again. I reached for a condom I brought and rolled it on. I slowly inserted myself into her noticing she had a tight and beautiful pussy for me to enjoy. She let out a groan and squeezed me as I made my way into her. We kissed as I gently grinded her pussy without going in and out of it. I rubbed her boobs and kissed each of them as I stayed close to her body and rose gently in and out. I then had her get on her side, laid behind her, reinserted myself into her, and fucked her on her side from the rear as I held her tight and kissed her neck, still playing with her boobs and

Now it was my turn, so I had her get on all fours. She bent down and rested her head on her crossed forearms and I fucked her from behind as hard as I could...

occasionally reaching down to rub her clit. I put her on her back again, took her ankles in my hands and raised her legs up and put myself back into her. She moaned out loud and I alternated thrusting speeds as I fucked her tight pussy. I then rested her legs up on my shoulders, put my hands on her thighs, put her up and back a little more against me, and started to fuck her harder.

She had her hands on my arms and even pleasantly rubbed against my hands as I fucked her deep and hard. I moved faster and faster which had her moaning and screaming. I dug my toes into the bed as I hammered down on her. Her meaty body absorbing my pounding until she let out a long moan and I knew she was cumming. She grabbed my buttocks and held me in as far as I could go and she grinded her hips into me as I felt the tip of my cock rubbing hard against her cervix.

Now it was my turn, so I had her get on all fours. She bent down and rested her head on her crossed forearms and I fucked her from behind as hard as I could until I exploded and shot a huge load inside of her. As I pulled out, I prayed the condom had stayed on, intact, and noticed that it had with my massive load inside of it. I carefully pulled it off my cock, careful not to spill any. After I cleaned myself off and brought a washcloth for her from her bathroom to clean up with, I took her into my arms and gently rubbed her back as she sighed and melted into my arms.

"I've never been fucked like that before. I just can't believe I came like that." We sat on the bed, propped on the pillows, for a while longer and talked about various things. When I asked her if she wanted me to stay awhile longer or leave, she asked me to stay the night. I agreed and she playfully pushed me onto my back and went back down on me and started to suck me off again. I again gave her the signals of what was working and it felt amazing to have such a warm and moist mouth on me that I could enjoy.

Morgan asked me if I could cum again and I told her I could. "You want me to cum in your mouth?" she nodded yes. I grabbed the back of her head and moved it up and down with her mouth on my cock. She tried a couple of times to go far down on it and finally managed to take most of me down her throat. But I think she realized I was too long and she'd need a lot more practice to get any further down. But that was okay. She went far enough down to have her fist cover the rest of my cock to the base. That made it almost feel like she had taken me all in.

Morgan was sucking and stroking me really good by now and I felt my cock muscles pulse against the head of my cock, which was a wonderful feeling. I think she did too and she began to go wild on it until I couldn't take it anymore and shot a huge load into her mouth that she actually swallowed. She even cleaned the excess cum off my cock with her tongue and had consumed every drop I shot out. We enjoyed more sex through the night until we both collapsed into each other's arms. We didn't wake up until the early afternoon the following morning.

After we both took a shower, I treated her to lunch at a nearby restaurant. We talked some more about our sexual experiences with other people. She said that the guys she would have sex with would just fuck her in the missionary position, and didn't know how to do oral like I did. I told her that I could understand why she wanted a man with a large cock and more experience. I told her it was a pleasure to meet her and have the opportunity. She hugged and kissed me goodbye in the parking lot of the restaurant and told me she hoped we could hook up again sometime. I told her to look me up and stay in touch.

We stay in touch online and talk sex in the emails. I see her and fuck her silly every couple weeks, and I can tell she has gotten better at blow jobs. While she still can't take my cock all the way down her throat, we sure do like trying.

I just discovered mobile porn

Driving back from San Fran to L.A. last week, I decided to make the long ride a bit more fun. M.J. was at the wheel and I decide to take my top off and tease him. At first glimpse of my boobs, he almost swerved off the road. I told him he had to pay attention or I wouldn't go any further. He agreed and I so unzipped his pants and started rubbing his cock. Instantly it was hard so I stroked for a few minutes, then went down on him. The next thing you know, I look up and we were in L.A.

my ass is very tight tonight

Do you guys want to see get fucked in the ass. I know you do. Well, I'm going to oblige you tonight. I'm going to get me a cock and suck it hard, and then stick it in my pussy, and finally I'll let him shove it up my ass. Since I'm small and his cock is big, I think it may hurt for a minute, but after that's done, I'm going to love it. But how will you know? By looking at my face, and then back at my ass, and then back at my face. And how's this all going to end, you may ask? On my face, of course!
